

Pratham's Vocational Training Program

Academic Head (Healthcare)

Job Title: Academic Head (Healthcare Program)

Location: Mumbai, Maharashtra

About Pratham Institute:

At Pratham Institute, Pratham's vocational training arm, we work across the country to provide individuals with employability skills needed to address India's growing need for skilled manpower. Between now and 2025, over 250 million young people are estimated to enter the Indian workforce, while only 2% of youth aged 20-24 have obtained vocational skills through a formal training system. Pratham's Vocational Training program was therefore, launched in 2005 with a mission to create sustainable programs for training and retaining of youth for employability or entrepreneurship.

Our 100+ training centers are spread across 16 states in India. We have trained over 60,000 students till date in various skills through our industry specific courses in Hospitality, Construction, Automotive, Electrical, Beauty and Healthcare. We also run Entrepreneurship programs in Beauty and Tailoring to cater to youth (mostly women) who have an entrepreneurial mind set and want to set up their own practices.

Pratham is a very dynamic place to work, thus the candidate needs to be comfortable with multi-tasking and working on a number of different projects at the same time.
